Safety Notice

Upon installation of this Monitor/DVD/Bluetooth ("unit") into a vehicle, the driver of the vehicle must not operate this unit by watching movies, videos, or playing video games while driving.

Many states prohibit cell phone operation while the vehicle is in operation. Check https://www.ghsa.org/ if you reside in a jurisdiction which has enacted such a law, this unit must be operated in accordance of your local jurisdiction. This unit includes a parking brake lockout feature which prohibits the unit's video function(s) from operating if the vehicle is not in "Park" and/or the parking brake is not fully engaged. When installing this unit, the installer fully understands and agrees to correctly connect the parking brake lockout wire ("Pink Lead") to the vehicles parking brake detect wire to a metal portion of the vehicle. Once the parking brake lockout feature is installed, the owner/user must not attempt to disrupt/neutralize the parking brake lockout feature by (a) partially engaging the parking brake and/or (b) purchasing/using any aftermarket device designed to circumvent the safety lockout function.

When operating this unit, keep the unit's volume level low enough so that the vehicle's occupants can hear traffic-related sounds such as police and emergency vehicles.

Failure to follow these instructions could lead to driver distraction, which could result in serious injury, or death.
